EXHIBITS FOR LOAN

The following exhibits are available to Vermont public libraries for a one month loan. Libraries should plan on making arrangements for pick-up and return of the exhibits unless other arrangements can be made through the CBEC. Contact Aidan Sammis for booking details at aidan.sammis@state.vt.us or (802) 828-2721.

WENDY WATSON EXHIBIT

This exhibit shows how a book is made, from first manuscript through completed book. All the steps of creating *HICKORY STICK RAG* (Crowell, 1976) are included: rough sketches, discarded sketches, color separations, progressive proofs and the printed sheet. Perfect for librarians to show children and adults all the steps of bookmaking, this exhibit may not be hung, and requires at least two long tables for display.

BOOK WEEK POSTERS

A series of approximately 57 mounted Children's Book Week posters produced by the Children's Book Council. Each poster is approximately 18" x 23" and is ready for hanging. The best children's book illustrators of the past 5 decades are represented: the Dillons, Maurice Sendak, Marc Simont, Trina Schart Hyman, Arnold Lobel and Chris Van Allsburg, to name just a few. You may borrow all or part of the collection.

ORIGINAL ARTWORK

Twenty-four pen and ink illustrations for *Nathaniel* by Jim Arnosky of South Ryegate, Vermont. Illustrations are matted and covered with plastic.

PUPPET SHOWS

PLEASE NOTE: The puppets are somewhat fragile, not washable, and are mainly for adults putting on shows for children. If older children are to perform with them, they should be closely supervised by the librarian. Shows must be picked up at and returned to the CBEC. To book a show, contact Aidan Sammis at aidan.sammis@state.vt.us or (802) 828-2721. All puppets are hand puppets, unless otherwise noted.
